Environmental Policy and Regulatory Services

Nature and Scope

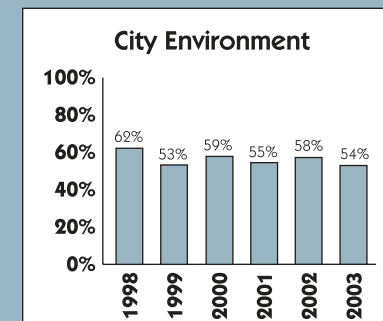

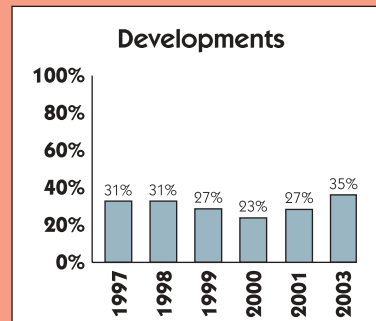

- Prepare, review, monitor and implement the objectives and policies of the City Plan prepared under the Resource Management Act 1991.
- Monitor the preparation and administration of policy statements and plans prepared by Environment Canterbury and adjacent local authorities.
- Prepare concept plans for urban renewal and environmental improvements of the city, including the Central City, which address the effects of urban renewal on people and communities.
- Provide policy advice on planning and development, conservation, design and heritage, transportation and environmental health issues, that affect the city.
- Develop projects and prepare feasibility studies for achieving the objectives and policies of the City Plan, other than by regulation.
- Administer funds set aside for promoting heritage retention and the removal of non-conforming activities.
- Promote an awareness of the environmental issues and values of the city.
- Process land use and subdivision consents.
- Administer the Building Act and Building Code within the city, including the issue of building consents, code compliance certificates, and annual warrants of fitness.
- Administer environmental health statutes, including food licensing, dangerous goods, sale of liquor, offensive trades and hazardous substances.
- Minimise occurrences that are likely to be objectionable or otherwise affect human health or safety arising from the presence or keeping of dogs and other animals.
- Provide information and advice on planning, building and environmental statutes and regulations, including developing and maintaining the necessary information bases.
- Process applications for land information memoranda.
- Monitor and control adverse environmental effects, including primary responsibility for noise, and shared responsibility for hazardous substances.

'Northwood' Housing developments like this are expected to continue in response to city growth.
