Mr. Stephen McArthur  
Community + Leisure Manager

Dear Sir

As a ratepayer  
of Chch City, my attention has been drawn to  
the Community Centre at 1047 Colombo St.

I recently enrolled on a Computer Course, and  
was quite impressed at the way the centre is run.

I have heard that the funding for Staffing is in  
jeopardy. I believe it would be well nigh  
impossible to find skilled volunteers to run the  
centre.

I just happen to live across the road and  
am aware of the activities that take place, and  
from my observations believe the centre is a  
valuable asset to the Community. I urge you to  
reconsider and keep the funding coming.

I would like this letter to be a submission  
for the Annual Plan

Yours sincerely  
Stan Raymond
