**Your Submission:** The Canterbury Youth Workers Collective supports the allocation of Funds of \$220,000 for the Te Papanui Trust allowed for from the Capital Endowment Fund - civic and Community page 97 of the plan.

The funding that will go towards the Papanui Youth Facility will allow the facility at last be able to be established.

The Youth Sector in Papanui has had to wait along time for a facility to become a reality Finally the young people of Papanui will have a facility which they will gain huge bennifit from. It will not only be a safe place where they will be offered many activities - sport/recreation, crafts, performing arts but also they will be able to get information specifically on youth issues and recieve advise and help. The employment of an events co ordinator will mean all activities run at the facility will be well cordinated and there will be lots of linking with local schools and youth organisations.

It is paramount that the funding is secured for the Papanui Youth Facility so it can become a reality.
