I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

- Community - Ensure that community resources are not left for volunteers to run.
- Transport - More initiatives to get city workers onto public transport.
- Housing - change consent rules to stop greedy developers from changing/wrecking the character of suburbs.
- Library Service - Change the no reissue rule to allow people to renew loaned books.
