I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

Re: Chilcombe Street / Hamilton Avenue and the Christchurch City Council's Policy concerning cost of underground electricity / power lines.

Paying half the cost of undergrounding places a heavy burden on ratepayers and is unaffordable in my situation.

Rate payers already pay rates so that the Council can provide its core services.

Most other Councils use their income

from electricity companies to pay for undergrounding. What does CCC do with its income from Orion.

* Considering the age of present street wiring (back to 1931) a rebuilt street will almost certainly require being dug up again to accommodate replacement wiring in the future.
