- I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.
- I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

I wish to make a submission regarding the undergrounding of power and telephone services.

- CCC has a policy of undergrounding services within the next forty years. However streets have been upgraded without undergrounding.
- The requirement of CCC of residents to pay for 50% of the undergrounding has been seen to be unworkable in a number of instances.
- I have read the submission put forward by the residents of Hamilton Avenue and Chilcombe Street and support it fully as it reflects my own feelings.
