I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

SUBMISSION FOR 2006 ANNUAL PLAN.

① I oppose the council's policy of requiring a 50¢ contribution from rate payers for the following reasons:
① The capital cost to many ratepayers is unaffordable.

② Other NZ councils have fewer conditions on the expected, part contributions, such as Nelson which is capped at \$1500.

③ The undergrounding benefits the utility companies in reduced maintenance and replacement costs.

Please continue your submission on the back of this page. You may add more pages if you wish.
Submissions close on Friday 13 May 2005

submission form

cost reduction

This should be used to offset the contributions for undergrounding from individual rate payers.

(c) Action For council TAKE-

Amend the % required for undergrounding and provide a long term payment process.
