We object to paying approximately \$3500000
to underground wiring that we will
never own and will also still contribute
to wiring maintenance, what have the
electrical suppliers done with all the
wiring maintenance money collected over
past 50 to 70 years as rate payers we
feel we are being cheated by local
government as no other council in New
Zealand asks for a contribution of that
size

Yours faithfully
Les G. Ginders (Rate Payer) P M Ginders
