I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

It is most unfair to ask ratepayers to pay for underground wiring. Use some of the income from prior.

The lines must be put underground when the street is rebuilt that is common sense the power poles in Hamilton Ave are an eyesore all different and leaning at different angles. To remove the trees and leave the power poles is crazy.
