I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

- ① Throwing back the burden of work <sup>onto the residents</sup> ~~re preparing~~ seems unfair. The council officials seem unwilling, or unable - not budgeted for? - to take the lead!
- ② The footpaths in Hamilton <sup>Ave</sup> have resembled a Himalayan range for decades.
- ③ ChCh C.C. seems to be one of mean councils in NZ re rate-payers paying (again) for undergrounding
- ④ Have you seen the power-poles in Hamilton Ave / Van Chilcombe St? Every style (if that's the word) conceivable at every angle.
- ⑤ Does CCC get money from Orion? What happens to it? Transparency of process please.
- ⑥ What happens to my share of the GST if I make a contribution?

Please continue your submission on the back of this page. You may add more pages if you wish.

7) Does the CCC have a sense of direction re undergrounding?

The Hamilton Ave / Chitamba St <sup>plans</sup> seems rudderless

8) How old is the wiring?

What is its usual replacement time? Will residents be

9) The "luck" of living on a road which subsidizes this? is paid for by CCC seems inequitable at most, & clumsy at the least. ✓
