I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 7 June and Friday 10 June 2005.

*If undergrounding is not done now, then it would have to be done later, with further disruption. It would be quite irresponsible of the council not to actively find a way to compromise over cost. The overhead wires are visual pollution, and it is a disgrace that our council does not have a policy of progressively undergrounding at times like this.*

*With decades of subdivision and a multiplicity of back sections, Hamilton Avenue pays much more in rates than most streets, and a reasonable cost to each property based on rateable values, spread for those who need it so, and collected by the council or Orion would be*
