Submission Form

Please be as specific as possible to help us understand your views. What do you want the Council to consider? What specific action you think the Council should take? Why should this be done? Please refer to the specific pages of the draft document.

A: Tram through City Mall

I support including the Tram as an allowed vehicle in the City Mall under the City Mall Pedestrian Special Order.

I support allowing the tram in the City Mall at any time seven days a week.

B: Laying Tram Tracks

I support the laying of Tram Tracks during the current reconstruction of the City Mall as prudent to save money as against coming back later to lay them and also to minimise disruption to businesses already being negatively affected by the actual reconstruction process of the City Mall redevelopment.

C: Tram Route

I support the proposed tram route as shown in the Council news letters on this subject.

D: Great for Christchurch

I believe that by extending the Tram into the City Mall this will be a great asset for the whole of Christchurch. Our Tram has become an icon of Christchurch and by linking in the principal central city shopping precinct, City Mall, and the main café and bar areas this will be very good for tourists and locals alike.
