Dear Sir/ Madam

Re: Extension of the Tram Route

I write to confirm my **full support** of the proposal to **extend the tram route** via City Mall and Oxford Terrace.

The proposed extension will bring more tourists & customers into the City Mall and Oxford Terrace area, not only that, the tram will also provide an extra factor of attraction which will create curiosity and draw tourists/ customers to the business areas surrounding the tram route. This is very encouraging for business and is a pro-active step in the right direction.

Tailorspace Investments is a tenant of 152 Oxford Terrace (former Public Trust Building) and is also project managing the refurbishment of that building. Upon completion the ground floor of the building will be converted to Café & Restaurants. We believe the tram extension will bring additional tourists and customers past 152 Oxford Terrace, which will assist the proposed ground floor café/ restaurant owners.

I also **support** the inclusion of **additional cost** in the draft 2008/2009 Annual Plan for tram rails in the current development of City Mall. By completing this work now, the chance of future disruption and delays to business owners/ retailers will be reduced.

I do not wish to discuss my submission at the hearing, however I ask that this written submission be considered.

Yours faithfully
Tailorspace Investments Limited
