

Community Board funding

The Community Board retains \$50,000 of its \$300,000 project funding for allocation throughout the year.

These discretionary funds can be applied for by writing to the Board and giving a full and detailed explanation of what the funds are needed for, the benefit to your group, organisation or the community, will get from the funds and also a current balance sheet. Details of any monies raised yourselves also helps.

The Board has reasonably flexible guidelines as to how it allocates these funds although priority will be given to areas or issues that are specified in its objectives for the year.

If you have any questions on the Council's funding scheme please ring the Service Centre (ph 332-3099).
