

Community Board Funded Projects

The Community Board has \$300,000 of project funding available for allocation each year. The major part of these funds, \$250,000, is allocated by the Board each March. \$50,000 is retained as a Discretionary Fund for allocation to smaller type projects throughout the year.

These discretionary funds can be applied for by writing to the Community Board, giving a full and detailed explanation of what the funds are needed for and the benefit that the group, organisation or the community will get from the allocation. Providing a current balance sheet and details of any monies raised by other means would also be useful.

The Board has reasonably flexible guidelines as to how it allocates these funds, although priority will be given to areas or issues that are specified in its objectives for the year.

If you have any questions on the Community Board's funding, please telephone the Community Secretary (telephone 372-2728).
