

Service Centre Support for Residents' Groups

The Linwood Service Centre, in conjunction with the Hagley/Ferrymead Community Board, is able to offer the following support to recognised residents' groups:

- A modest allocation of photocopying without cost, up to a maximum of 600 single-sided or 400-double sided A4 copies per month, and some assistance with typing.
- Because of the many demands upon the time of the Council's staff, a reasonable lead time for typing and photocopying is needed - at least three days.
- Assistance to community groups to meet to discuss and meet community challenges.
- Assistance with the setting up of new residents' groups.

The Linwood Service Centre support for Hagley/Ferrymead residents' groups is aimed at improving residents' groups profiles and at keeping members of the community informed about community groups and initiatives.
