

Hagley/Ferrymead Community Board

Functions

The Board is made up of six directly elected members and three members (Councillors) appointed by the Council, giving a total of nine members.

Community Boards undertake tasks delegated by the Council and also have input into the Council's budget process. Community Boards have an obligation to communicate with community organisations and special interest groups. They have an overview of road works, water supply, sewerage, stormwater, drainage, parks, recreational facilities, community activities and traffic management within their communities.

The Community Board is not a separate authority. It is part of the elected structure of the Council and reports each month to the Council in the same way as the Council's standing committees.
