

Community Service Awards

Certificates are awarded each year to individuals or groups in recognition of voluntary service given which benefits residents or organisations within the Hagley/Ferrymead community. The areas of service include youth activities, aged, education, welfare, recreation, religious and community development.

Nominations are sought in May and the awards are presented at a ceremony in August.

Community Pride Garden Awards

The Community Pride Garden Award Scheme is a Council initiative to acknowledge the contribution made to the Garden City image of Christchurch by many private residential properties. Gardens are selected for these awards as part of the street competition, which is a partnership between the Christchurch City Council and the Christchurch Beautifying Association. The assessments are undertaken during the months of December and January and are based on the following:

- Evidence of effort or improvements made to the garden and the effect on the streetscape
- Overall tidiness of property/garden and evidence of community pride
- Horticultural/landscape impact of garden on street.

The owners of gardens selected are presented with a certificate which acknowledges the effort and contribution made by the residents to maintaining the Garden City image of Christchurch.

The Canterbury Horticultural Society and the Christchurch Beautifying Association also run their own competitions. Interested home owners may enter these competitions by contacting the two sponsoring organisations.

Heritage Awards

The Hagley/Ferrymead Community Board Heritage Awards have been established to recognise the efforts of the community to preserve the heritage of the Hagley/Ferrymead area. This is an annual award which takes the form of a trophy, held by the recipient for the period of one year, and a framed certificate.

Written entries for these awards should contain the address of, and photographs and written information about, the project and the name and address of the owner, community group, school, institution or company responsible for the project, and be forwarded to the Linwood Service Centre
