

# Residents' Groups

## What is a residents' group?

Residents' groups are set up to provide support and assistance to their neighbourhood. They have a common purpose and set out to achieve a common goal. They may be set up to provide recreation activities, eg playgroups, or in response to a perceived threat to the stability or character of a neighbourhood, eg saving an historic building.

Maps detailing the areas covered by existing residents' groups, together with contact names, are shown on pages 30-36.

## Residents' groups formation and recognition

1. The Christchurch City Council encourages the formation of local residents' groups.
2. Local residents' groups are able to apply to the Community Board for recognition as an 'official' residents' group for the area.
3. Residents' group boundaries within each community are determined by the relevant Community Board.
4. Such groups, upon recognition, receive the right to be consulted by the Council on all work planned within their boundaries.
5. The Council provides free typing and photocopying for official residents' groups, within limits approved by the Community Advocate.
