

Add indigenous riparian vegetation on this bank

Use this berm for trees and plaques commemorating women's themes

Keep the existing punt landing. Prepare and implement a plan to improve its setting. This might include a secondary landing, new paving, landscaping and relocating the sign.

Prepare and implement a conservation plan for the bridge and its setting, including review and replacement of planting next to the abutments

Prepare and implement a plan that acknowledges the historic setting of the former Municipal Chambers and provides for current uses which complement the character and use of the building. This includes the commemoration of the history of women's suffrage and other women's groups. Include a review of existing seats.

Encourage shared pedestrian and cyclist use of the roadside pathway

Add a ramped pathway to provide an alternative to the existing steps
