

8. SALISBURY STREET – PARKING RESTRICTION

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, DDI 941-8662
--	--

The purpose of this report is to ask the Committee to approve the installation of a 'residents only' parking space in Salisbury Street.

BACKGROUND

'Salisbury Cottage' at 196 Salisbury Street is in the middle of the section of Salisbury Street between Madras and Manchester Street. It has no garage space or off-street parking. The resident has requested that Council reserve a space outside their property for their use.

DISCUSSION

This area of Salisbury Street is heavily parked out by all day parkers. Opposite is a large retailing business which has a number of off-street parks. This is a busy section of the street.

The resident has difficulty finding a park in the vicinity of the property to unload children and purchases.

CONCLUSION

As the resident of 'Salisbury Cottage' meets the criteria for 'residents only' parking it is recommended that a parking space be created outside the property (see plan attached).

Staff

Recommendation: That a parking space for vehicles displaying a 'residents only' sticker be created on the south side of Salisbury Street commencing at a point 135.5 metres from Manchester Street and extending in an easterly direction for a distance of 6 metres.

Chairman's

Recommendation: That the above recommendation be adopted.
