

## 16. SALISBURY STREET (CAMBRIDGE GREEN) – PARKING RESTRICTIONS

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Lorraine Wilmshurst, DDI 941-8662
--	--

The purpose of this report is to ask the Board to approve the installation of parking restrictions in Salisbury Street, Cambridge Terrace and Barbadoes Street, as part of the work being undertaken at Cambridge Green. (A plan is attached.)

Cambridge Green is a Parks and Waterway Unit initiative for the area of land bound by Salisbury Street, Cambridge Terrace and Barbadoes Street. A section of Cambridge Terrace was stopped some time ago and is to be included with the triangle of land into a reserve and water feature.

As part of this work the section of Salisbury Street that abuts the northern boundary has been reduced in width and a small portion is down to one lane. For this section of road to operate safely the parking of vehicles needs to be prohibited on both sides of Salisbury Street and part of Cambridge Terrace.

This work has also made it necessary to realign the lanes in Salisbury Street on the western side of Barbadoes Street so through traffic does not enter the eastern side of the intersection into the oncoming traffic.

### Staff

- Recommendation:**
1. That the parking of vehicles be prohibited on the northern side of Salisbury Street from its intersection with Barbadoes Street in a easterly direction for a distance of 36 metres to its intersection with Cambridge Terrace.
  2. That the parking of vehicles be prohibited on the southern side of Salisbury Street from its intersection with Barbadoes Street in a easterly direction for a distance of 50 metres to its intersection with Cambridge Terrace.
  3. That the parking of vehicles be prohibited on the western side of Cambridge Terrace from its intersection with Salisbury Street in a northerly direction for a distance of 30 metres.
  4. That the parking of vehicles be prohibited on the eastern side of Cambridge Terrace from its intersection with Salisbury Street in a northerly direction for a distance of 30 metres.
  5. That the parking of vehicles be prohibited on the eastern side of Bardadoes Street from its intersection with Salisbury Street in a southerly direction for a distance of 100 metres to its intersection with Oxford Terrace.

### Chairman's

**Recommendation:** That the recommendations be adopted.
