The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners at No. 60 Aikmans Road have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property.

The proposed road stopping is not shown in the Notified City Plan.

Approval in principle was recommended by the Fendalton / Waimairi Community Board and confirmed by Council at its 24 February 2000 meeting to dispose of the unformed portion of Aikmans Road as the land is not required for road purposes for 14, 110 and 114 Aikmans Road. Unfortunately one other frontage at No. 60 was overlooked and should have been included in the resolution.

Negotiations between the Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure.

The City Streets Unit agrees with this proposal.

The land is not formed as road but fenced and occupied by the adjoining owners. The plan is attached.

Prior to sale the following resolution is necessary to initiate the stopping action:

RESOLUTION

Pursuant to the provisions of Sections 319(h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that portion of road as shown on the plan and described in the Schedule hereto.

REASON FOR THE ROAD STOPPING

The Council has received a request from the adjoining owners for the purchase of the land, which is no longer required by Council for road purposes.

PURPOSE TO WHICH THE STOPPED ROAD WILL BE PUT

The land is situated alongside and occupied by No. 60 Aikmans Road and is 5.03 metres in width.
