The purpose of this report is to table a draft submission on the Land Transport (Street and Illegal Drag Racing) Amendment Bill (attached).

This Community Board has been very proactive in seeking some redress to the occurrences of street racing within our community. The Board was instrumental in promoting a bylaw (in conjunction with local Police) and also was a party to the skid pad facility at Ruapuna.

The introduction into Parliament of this Bill is very timely and it is considered that the Community Board prepare a submission to enforce its stance on this community issue.

**Recommendation:** That the draft submission be considered.

**Chairman's Recommendation:** For consideration.
