

## 10. DURHAM STREET - PARKING RESTRICTION

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Lorraine Wilmshurst, DDI 941-8662
--	--

The purpose of this report is to seek Committee approval to a change to the parking restrictions in Durham Street South from Lichfield Street to Tuam Street.

### BACKGROUND

The parking spaces in the section of Durham Street South between Lichfield Street and Tuam Street are metered spaces and they are enforced 8am to 6pm Monday to Friday.

The business on the corner of Lichfield and Durham Street has requested that the enforcement be increased to also include Saturday morning to 1pm. This business has a problem with all day parking by staff of the City Mall businesses.

### DISCUSSION

There are ten metered spaces in the section of Durham Street South between Tuam and Lichfield Streets. Four are on the east side of the street and six are on the west side outside St Michael's School on the west side.

The other businesses in this section of Durham Street and St Michael's School have agreed to the enforcement of the metered spaces being increased to include Saturday morning.

### CONCLUSION

The metered spaces in Lichfield Street and along Oxford Terrace to the north of the Durham/Lichfield Street intersection are all enforced on a Saturday. The increase in enforcement has the agreement of the Parking Unit manager.

The inclusion of the 10 metered spaces into the present enforcement rounds will eliminate the all day parking of the City Mall staff on Saturday. There is other parking available in the surrounding streets that could accommodate the all day parking.

#### Staff

**Recommendation:** That the enforcement of the parking metered spaces in Durham Street South be increased to include Saturday morning to 1pm.

#### Chairman's

**Recommendation:** That the above recommendation be adopted.
