|--|--|

The purpose of this report is to allow for members to discuss any matters arising from the Cycle Strategy Annual Report considered at the 9 April 2002 meeting of the Committee.

### BACKGROUND

Members will recall that this report was considered at the April meeting of the Committee and it was agreed that members would take the opportunity to further read the Annual Report and raise any further matters for discussion at the May meeting of the Committee.

### Chairman's

**Recommendation:** For discussion.
