

## 24. BOARD PROJECT PROPOSALS – RESPONSES FROM BUSINESS UNITS

The **attached** responses have been received from the City Streets Unit on the Project Proposals that were submitted by the Board in September.

In accordance with past practice, and in acknowledgement of timing for processing at this time of the year, any issues remaining after consideration of the responses are usually delegated to the Chairman and Deputy Chairman to represent the Board in conveying any concerns to the Unit(s).

### **Staff**

- Recommendations:**
1. That the responses received from the City Streets Unit be reviewed by the Board.
  2. That the Chairman and Deputy Chairman be delegated power to act in representing any Board concerns on the responses received.

### **Chairman's**

**Recommendation:** That the foregoing recommendations be adopted.
