With the change in membership of the Board with effect from 26 November (Ron Wright replacing Pat Harrow) consideration needs to be given to changes in membership of the Board's Committees.

Outgoing Member Pat Harrow has, for his first term, served on the Works, Traffic and Environment Committee.

The Chairman has discussed the matter of membership with incoming Member Ron Wright who has expressed an interest in serving on the Board's three Standing Committees.

Chairman's

- Recommendations:**
1. That Ron Wright be appointed as a member to the Works, Traffic and Environment, Community Services and the Finance and Planning Committees.
 2. That a review of the membership of the Board's three Standing Committees be undertaken early in 2003.
