At the Works, Traffic and Environment Committee meeting on 8 November the Senior Liaison Officer City Streets (Stuart Woods) provided the Committee with an overview of the draft strategy framework. At the conclusion of the presentation the Committee agreed that an unpaid Working Party of interested/available Board Members prepare and forward a submission on the draft document, on behalf of the Board.

The Working Party met prior to the Board visit to Peacock Springs on Wednesday 12 November and agreed to the **attached** submission.

Staff
