

## 10. MOWBRAY STREET: P5 PARKING RESTRICTION

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Malcolm Taylor, Traffic Engineer (Community), DDI 941 8604
--	---

The purpose of this report is to seek the Board's approval to install a P5 Loading Zone parking restriction in Mowbray Street. (Refer attached plan)

Mr Jamieson from the "Bedroxz Diner" of 94 Mowbray Street has requested some short term parking in front of this food outlet. This outlet serves the businesses in the area. At present there is no restriction on parking on this section of Mowbray Street and it is quite often occupied all day. A five minute parking restriction would ease traffic congestion that occurs when vehicles double stop outside this business and make parking available for short term transactions.

The Parking Operations Manager supports the installation of the proposed parking restriction.

### **Staff**

**Recommendation:** That the Board approve the installation of the following parking restriction.

1. That a "loading zone time limit 5 minutes" be created on the south side of Mowbray Street commencing at a point 112 metres from its intersection with Wilsons Road and extending in a westerly direction for a distance of 6 metres.

### **Chairperson's**

**Recommendation:** That the recommendation be adopted.
