

**10. MOA PLACE: PROPOSED NO STOPPING PARKING RESTRICTION**

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Basil Pettigrew, DDI 941-8542
--	--

The purpose of this report is to request that the Board approve the installation of a no stopping restriction at the head of the Moa Place cul-de-sac.

A request has been received from residents for this no stopping restriction to be put in place as it has been reported that parked vehicles are prohibiting turning. With the cul-de-sac being only 6.6 metres wide, parking is totally inappropriate.

In the interests of improving safety the no stopping restriction should therefore be installed.

**Staff**

**Recommendation:** That the stopping of vehicles be prohibited at all times at the head of the Moa Place cul-de-sac commencing just west of No 13's driveway and following around clockwise for 35 metres to just west of No 18's driveway.

**Chairperson's**

**Recommendation:** That the recommendation be adopted.
