

3. DISPOSAL OF SURPLUS ROADING PROPERTY 54 MONTREAL STREET

Officer responsible Property Manager	Author Dave Falls, DDI 941-8580
--	---

The purpose of this report is to obtain the Council's formal approval to dispose of the property 54 Montreal Street

Due to timing constraints this report has been submitted to this Committee prior to being considered at the next Council meeting. A copy has been forwarded to the Spreydon/Heathcote Community Board for its information.

BACKGROUND

Following the Council decision not to go ahead with the proposed Wordsworth Street extension from Montreal to Orbell Street, the Council-owned property at 54 Montreal Street is surplus to the roading requirements. This property comprises an L3 zoned section without any improvements. As no positive response for an alternative use of the property by other Council units has been received it is now proposed that the Council formally declares the property surplus and agrees on the process for disposal.

As a consequence of the property becoming surplus, it will be necessary in the first instance to offer the property back to the former owner in accordance with Section 40 of the Public Works Act 1981. If this offer is not taken up, the property can then be sold on the open market. In terms of Section 42 of the Public Works Act and the Council's policy for disposal of surplus property, it is proposed that disposal would be by public tender or, if a satisfactory price is not obtained by this means, by marketing for sale by private contract.
