

10. MEETINGS WITH NSG CO-ORDINATORS

As part of the Board's annual consultation programme meetings with NSG Co-ordinators in the Board's community were hosted, at the Fendalton Community Centre, on Monday 17 April and Wednesday 19 April. A number of Board Members were in attendance at each meeting.

A number of routine, or maintenance, issues were raised in these discussions and the Community Technical Adviser has followed up on these.

On the second night there were two planning matters raised. The first, dealing with a resource consent granted for a motel complex on the corner of Roydvale Avenue/Sir William Pickering Drive was answered on the night by advising that the Board had no jurisdiction to query the quasi-legal resource consent process.

The second matter related to the proposal MRH (Memorial/Russley/Hawthornden) Area Plan. Members have since been informed that the consultative process is still underway, and that there is no actual "plan" defining any outcome at this stage.
