

2. HAGLEY AVENUE PROPOSED CYCLE AND PEDESTRIAN FACILITIES PROVISION

At the ordinary meeting of the Council on 21 November 2002 the Council resolved 'inter alia':

'That a joint meeting of the Sustainable Transport and Utilities Committee and the Hagley/Ferrymead Community Board be held for the purpose of considering the possibility of the earlier report on the Hagley Avenue cycleway being resubmitted to the Sustainable Transport and Utilities Committee by the City Streets Unit.'

The purpose of the meeting will be to consider the above resolution and a copy of the earlier report considered by the Hagley/Ferrymead Community Board and the Sustainable Transport and Utilities Committee in February and May 2002 is attached for the information of members.

The recommendation of Council when this matter was considered at that time in May 2002 was:

'That no decision be made on the cycle option for this proposal until a decision has been reached on the proposed Tuam Street/Lichfield Street one way pair swap.'
