

6. SCHOOL BUS STOP – HEI HEI ROAD

Officer responsible City Streets Manager	Author Brian Neill, DDI 941-8616

The purpose of this report is for the Board to consider establishing a school bus stop outside St Bernadette's School in Hei Hei Road.

St Bernadette's School has recently constructed new off road parking facilities and established new pedestrian links to the school crossing point facilities in Hei Hei Road. With parents dropping children off at school it is often difficult for bus drivers to find a dedicated parking place on the school side of the roadway. A dedicated bus stop would operate school days between 8.00 am and 4.00 pm and ensure that kerbside space would be available when required.

Provision is also being made to encourage children to use an alternative pathway access to the proposed bus stop outside the St Bernadette's Presbytery. The proposed bus stop and adjacent broken yellow "no stopping" line through the vehicle entrance and school crossing point cover only a portion of the school frontage and will not impact on the surrounding residential properties.

A plan of the proposal is attached.
