

## 8. CRANFORD STREET ACTION GROUP

<b>Officer responsible</b> Community Development Adviser	<b>Author</b> Bruce Meder, DDI 941-5408
---	--

The purpose of this report is to seek funding support from the Board towards the expenses of this group associated with their work in the Northern Roothing Options Scoping Study.

### BACKGROUND

Members will be aware of the Northern Roothing Options Scoping Study (NROSS) and the actions of the Cranford Street Action Group. The Board allocated a grant of \$1,000 to this group in April 2002 towards printing leaflets and flyers and to engage specialist assistance with their submission.

### FURTHER EXPENSES

In putting together their submission the Cranford Street Action Group has incurred further expenses and is seeking support from the Community Board to meet these costs. As the full City Council decision on recommendations regarding NROSS is to be made in April, these will be the final expenses incurred by the group:

Aerial maps	180
Consultancy Report on the impact of four laning on Cranford Street	1,200
Hall hire	50
Publicity and pamphlets	300
General expenses	270
<b>Total</b>	<b>\$2,000</b>

### Staff

**Recommendation:** That the Community Board allocates, from Discretionary Funds, a grant of \$2,000 to the Cranford Street Action Group to cover expenses by the group.

### Chairperson's

**Recommendation:** For discussion
