

## 12. HAWFORD ROAD KERB AND CHANNEL RENEWAL (OPAWA ROAD TO BUTLER STREET)

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Lee Kelly, Roading Projects Consultation Leader, DDI 941-8355
--	--

The purpose of this report is to seek the Board's approval to install stopping restrictions in relation to the Hawford Road kerb and channel renewal project.

### BACKGROUND

A report on this project was submitted to the Board at its 1 April 2003 meeting. At that meeting an alternative to the original proposed plan for the Hawford Road/Beckford Road intersection was tabled. This alternative, described as option 2, was selected by the Board in place of the original plan for the intersection.

Approval was then sought from the Board to proceed to final design, tender and construction of the Hawford Road kerb and channel renewal project. Approval was obtained, with the Board requesting that all stopping restrictions in relation to the proposed work, including the new intersection layout at Hawford Road/Beckford Road be reported back to the Board's 29 April 2003 meeting (see attached).

At its 1 April 2003 meeting, the Board resolved as follows:

1. *That option 2 be implemented and report back be provided to the Board, including recommendations to support this option.*
2. *To approve the proposed kerb and channel renewal project to final design, tender and construction."*

### STOPPING RESTRICTIONS

1. That a 'Give Way' control be placed against Beckford Road at its intersection with Hawford Road.
2. That the stopping of vehicles be prohibited at any time:
  - (a) On the north side of Ombersely Terrace commencing at its intersection with Hawford Road and extending in a westerly direction for 10 metres.
  - (b) On the west side of Hawford Road commencing at its intersection with Ombersely Terrace and extending north for 5 metres.
  - (c) On the west side of Hawford Road commencing at its intersection with Beckford Road and extending south for 22 metres.
  - (d) On the south side of Beckford Road commencing at its intersection with Hawford Road and extending west for 21 metres.
