

5. **HAWTHORNE STREET – KERB AND CHANNEL RENEWAL
(PAPANUI ROAD TO WATFORD STREET)**

Officer responsible Community Advocate	Author Peter Dow, DDI 941-6728
--	--

The purpose of this report is to present for the Board's consideration the **attached** revised concept plan showing a 9 metre carriageway for the kerb and channel renewal project in Hawthorne Street and for this plan to be approved and circulated for public comment.

It will be recalled that on 1 July 2003, the Board decided on a 9 metre road width along with the retention of as much as possible of the intended amenity planting, the slight realignment of the roadway at the Papanui Road end and the provision of 8 metre thresholds at the Watford and Papanui intersections.

The submitted plan as far as practicable, incorporates these aspects.

Staff

Recommendation: That the modified plan for Hawthorne Street be approved for public consultation.

Chairman's

Recommendation: That the above recommendation be adopted.
