Officer responsible City Streets Manager	Author Barry Cook, Traffic Engineer - Community, DDI 941-8938
--	---

The purpose of this report is to gain approval for the installation of a “residents parking only” restriction on the east side of Madras Street, just north of Peterborough Street.

The Council has received a request from the residents at 336a Madras Street for “residents parking only”. The house occupies the entire frontage of a narrow section (see attached plan) and there is no opportunity to drive a vehicle wholly onto the property. This is in an area where there is all day commuter parking. It complies with the Council’s policy for residents parking.
