

10. DURHAM STREET SOUTH: PARKING RESTRICTION

Officer responsible City Streets Manager	Author Malcolm Taylor Traffic Engineer (Community), DDI 941 8604
--	--

The purpose of this report is to seek the Committee's approval to alter the parking restriction outside No. 172 Durham Street South (see attachment).

Telecom Business Directions Ltd, 172 Durham Street South have requested that the parking outside their showrooms, be changed from a time limit of 30 minutes to 60 minutes. Jenny Craig and Midas Car Care, who also occupy this building have customers accessing their businesses from Durham Street South and consider that their customers generally take more than 30 minutes. Both these businesses support a change to the time motorists can park in front of the building.

Customers visiting this building also have access to limited parking facilities in the South City Mall. The availability of 60 minutes parking in Durham Street South in front of this building would provide customers with a direct access to the businesses from the street for a more usable time period.

The Parking Operations Manager supports this parking restriction change.
