

8. BROADPARK ROAD - GIVE WAY SIGN

Officer responsible City Streets Manager	Author Malcolm Taylor - Traffic Engineer (Community), DDI 941-8604
--	--

The purpose of this report is to seek Board approval to install a "Give Way" sign in Broadpark Road at its intersection with Beach Road.

Concern has been expressed by residents and motorists with regard to traffic movements at the intersection of Broadpark Road and Beach Road. Broadpark Road is used by residential and recreational traffic and is also used by motorists as a short cut from Beach Road to Aston Drive via Larnach Street. The right of way between right turning vehicles out of Broadpark Road and vehicles travelling west on Beach Road is a concern at this intersection. Beach Road is designated as a collector road with an average daily count of 5,220 vehicles.

The installation of a "Give Way" sign will improve safety at this intersection.

Staff

Recommendation: That a "Give Way" sign be placed against Broadpark Road at its intersection with Beach Road.

Chairperson's

Recommendation: That the abovementioned recommendation be adopted.
