Officer responsible City Streets Manager	Author Brian Boddy, Project Consultation Leader, DDI 941-8013.
--	--

The purpose of this report is to request that the Papanui/Shirley Community Board approve for distribution the appended concept plan for the renewal of the dish channels on both sides of Champion Street from Bealey Avenue to Gresford Street.

Champion Street (a local road) is on the Capital Works Program to have its kerb and dish channel renewed in the 2003/2004 financial year. The local residents have been surveyed to get the issues they would like addressed with this work. Following consideration of the residents' feedback (see appended letter for a summary of their feedback) different options have been considered and the above proposal drawn up.

The amount of \$349,320 is budgeted for this project.

The overhead services will not be undergrounded, as there is no money budgeted for the work.

To obtain the residents' and property owners' feedback on the concept plan it is recommended that the plan be distributed.
