

9. MAIN NORTH ROAD – P60 PARKING RESTRICTION

Officer responsible City Streets Manager	Author Jeff Owen, Traffic Engineer, DDI 941 8971
--	--

The purpose of this report is to seek the Boards approval for the installation of Time Restricted Parking (P60) outside 96 to 102 Main North Road.

A request has been received from the operator of 'Madisons for Haircuts' at 98 Main North Road for time restricted parking to be installed outside her business. In 1992 an indented parking bay was installed to maintain and provide parking adjacent to the hairdressers and other businesses when the traffic signals at Sawyers Arms Road were installed. Currently the bay is unrestricted with vehicles parking all day. When the bay was built it was never intended for all day parking.

PROPOSAL

It is proposed to install time restricted parking limited to a maximum period of 60 minutes to the whole parking bay. This will better serve the businesses by removing all day parking from outside their premises (see attached plan).

All immediately affected property owners have been contacted and agree with the proposal.

Staff

Recommendation: That a P60 Parking Restriction be created on the east side of Main North Road commencing at its intersection with Sawyers Arms Road and extending in a southerly direction for a distance of 59 metres.

Chairperson's

Recommendation: That the staff recommendation be adopted and that enforcement take place once the parking restriction is installed.
