

15. APPOINTMENT OF ACTING CHAIRMAN

Officer responsible Community Advocate	Author Tony Gemmill, DDI 941-6701
--	---

During the next month there are likely to be absences from Christchurch by both Mike Wall (Chairman) and Val Carter (Deputy Chairman). The possibility of both being absent at the same time may occur during this period.

To cover the possibility of these dual absences it would seem appropriate for the Board to appoint an Acting Chairman for the period from early July to early August.

Staff

Recommendation: That the Board appoint an Acting Chairman to cover the possible dual absences of the Chairman and the Deputy Chairman from July to early August.

Chairman's

Recommendation: That Cheryl Colley be appointed as Acting Chairman for the period concerned.
