---	---

The purpose of this report is to seek the Board's approval to install a no parking restriction on Taylors Mistake Road in the area shown on the attached plan.

### BACKGROUND

Taylors Mistake Road is being reconstructed in stages from the Taylors Mistake Beach car park to Godley Drive. Stage one of the reconstruction has been completed and work has started on the second stage.

### DISCUSSION

As part of the concept for the road, there is no parking available on the 6 metre wide carriageway. Formal parking bays have been provided at appropriate places along the road.

### CONCLUSION

With the completion of stage one and the construction of stage two underway it is now time to ask the Board to formally resolve that the parking along Taylors Mistake Road be banned except in those areas where formal parking bays have been constructed or are to be constructed.

### Staff

**Recommendation:** That the parking of vehicles be prohibited on both sides of Taylors Mistake Road from the Taylors Mistake beach car park to the boundary of Nos 213/211 Taylors Mistake Road, except where formal parking bays are provided.

### Chairperson's

**Recommendation:** That the recommendation be adopted.
