

## 14. APPLICATION FOR INSTALLATION OF POSTER BOLLARDS – LINCOLN ROAD

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Weng-Kei Chen, DDI 941-8655; Elaine Greaves, Community Secy, DDI 941-5105
--	---

The purpose of this report is to seek the Board's recommendation to the Central City Streets Subcommittee for the placement of cylindrical bollards on legal roads. These bollards will be supplied and installed by Phantom Bill Stickers Limited in accordance with the agreement entered into with the Council.

### BACKGROUND

The city has 50 cylindrical postal bollards built over the last 15 years, and in April 2002 the Council entered into a formal agreement with Phantom Bill Stickers Limited to replace these bollards with the company's new bollards, and the construction of an additional 50 bollards by December 2005. The new design is as shown in the application attached. The attachments show the bollards superimposed onto the existing road space.

At the October 2002 Council meeting the company was given approval for the replacement of 32 bollards in the central city area, and has now applied for an additional 27 sites. Two applications are in the Spreydon/Heathcote area. These are:

- (1) LR1 – Lincoln Road
- (2) LR2 – Lincoln Road

Assessments of their suitability have been carried out by the City Streets Unit and the Urban Design Team. Matters requiring consideration were:

- Vehicle traffic safety
- Pedestrian movements
- Access issue with relation to property
- Utility services
- Effect on businesses, eg door entrance, window displays
- Sensitive environments, eg riverbank, historic buildings, etc

### CONCLUSION

Staff are satisfied with the two applications made and ask the Board to recommend to the Central City Streets Subcommittee installation of two poster bollards in the locations stated.

As part of the Poster Bollard Installation Approval process, Phantom Bill Stickers Limited will be required to consult with adjacent property owners and occupiers on this proposal.

#### Staff

**Recommendation:** That the Board recommend the Central City Streets Subcommittee approve the installation of two poster bollards (LR1 and LR2) on Lincoln Road.

#### Chairman's

**Recommendation:** Consideration could be given to having the bollard include "Addingtown" as a place name. For discussion.
