

## 2. CHRISTCHURCH WASTEWATER TREATMENT PLANT: RESOURCE CONSENT PIPE ROUTE

<b>Officer responsible</b> City Water and Waste Manager	<b>Author</b> Kevin Roche, Committee Secretary, DDI 941-8536
--	---

The purpose of this report is to inform the Committee on the submissions received from the consultation process on the ocean outfall pipe route.

Members will recall that at the meetings of the Sustainable Transport and Utilities Committee on 8 July 2003 the Committee resolved:

*“That a meeting of the Committee be held on Monday 21 July 2003 at 9.30am to:*

- (a) Allow all members of the Committee to hear oral submissions.*
- (b) Consider all the submissions and report the results to the 28 August 2003 Council meeting.”*

Separately circulated to members is the following information for this meeting:

- Background information on the ocean outfall pipe route consultation.
- Attachment one - copies of all submissions received.
- Attachment two - summary of reports and recommendations from the Parks and Waterways Unit.
- Attachment three - comment on submission of Mr Hewat and generic submissions.
- Attachment four - communication and consultation audit to 20 June 2003.

It would be appreciated if the above material could be brought with you to the meeting on Monday 21 July 2003.

At present five of the fourteen submitters who had indicated that they wished to make an oral presentation have confirmed their attendance on 21 July 2003. A final schedule of submitters will be provided to all members on Friday of this week. The hearing of oral submissions will commence from 10am.
