

3. DEPUTATIONS

3.1 Environment Canterbury – Public Transport – Update

Jill Atkinson, Portfolio Manager – Public Passenger Transport will provide the Board with an update on the status of passenger transport in Christchurch, with specific reference to the Board's area. This will include a snapshot of the system, key challenges facing the system and how these are being dealt with. Reference to the PT outcomes/outputs in ECan's 2003/04 Annual Plan will also be made for the Board's consideration/discussion of any issues.
