The purpose of this report is to enable the Board to consider a request for funding received from Te Whare Taonga O Nga Iwi Katoa - Linwood Resource Centre for an open day to be held at the Linwood Resource Centre during Neighbourhood Week.

Last year over 100 people passed through the community cottage in a similar event and took part in a continuous BBQ. The aim is to hold a similar event using produce from the centre's organic garden and bread donated by The Original Bread Company. Further food items are required for the event such as sausages, potatoes, nuts, chips, tomato sauce and beverages and it is estimated that \$150 would cover this additional expense.

**Staff**

**Recommendation:** That the Board consider contributing \$150 from the Community Events and Special Days Fund to cover the additional food expenses required to host a BBQ at the Linwood Resource Centre as part of Neighbourhood Week Celebrations.

**Chairperson's**

**Recommendation:** That the recommendation be adopted.
