The purpose of this report is to inform the Board of the timeframe and process for finalising the "Parking Strategy for the Garden City".

The proposed timeline and process for finalising the Parking Strategy is as follows:

11 February 2003	Sustainable Transport and Utilities Committee confirm process and timeline, brief summary of submissions presented.
March 2003	Hearing for oral submission supporting seven of the written submissions. Process, timeline and brief summary presented to Community Boards (or transport subcommittees where possible).
17 April 2003	Seminar on the recommended changes to the "Parking Strategy for the Garden City" Consultation Document for the Sustainable Transport and Utilities Committee and Community Board representatives.
6 May 2003	Report on recommended changes to the Parking Strategy presented to the Sustainable Transport and Utilities Committee for adoption.
22 May 2003	Report to full Council for the adoption of the Parking Strategy.

A summary of submissions received on the "Parking Strategy for the Garden City 2002, Consultation Document" has been circulated separately to Board members.
